

Cycle Policy

Last Reviewed: November 2021

Next Review Date: November 2024

Washingborough Academy recognises the many positive benefits of pupils cycling to and from school. We therefore look to encourage this form of travel behaviour in as many ways as possible.

Benefits of cycling to school include:

- Improving health through physical activity.
- Establishing positive active travel behaviour.
- Promoting independence and improving safety awareness.
- Reducing congestion, noise and pollution in the community.
- Reducing environmental impact of the journey to school.

Role of the pupil:

- To ride to school sensibly and safely following the Highway Code
- To take responsibility for checking that their bicycle is roadworthy and regularly maintained.
- Behave in a manner which shows them and the school in the best possible light and to consider the needs of others when cycling.
- To correctly wear a cycle helmet to and from the school site and whilst walking through the playground.
- To ensure they can be seen by other road users, by using bicycle lights and wearing high-visibility clothing, as appropriate.
- To dismount upon entering the school site and walk their bicycles to the storage area.
- To be aware of other pedestrians when wheeling the bicycle through the playground.
- To use the bell as a warning when approaching pedestrians
- To lock the bicycle securely to the bike shelter, with a lock provided by the parents.
- To safely store the cycle helmet in helmet lockers or the class cloakroom.

Role of the school:

- To provide Bikeability training for Y5 children.
- To provide and maintain bike shelter storage.
- To actively promote cycling as a positive way of travelling.
- To celebrate the achievements of those who choose to cycle to school.
- Washingborough Academy is not responsible for bicycles brought on to or left on school premises and is therefore not liable for pupils' bicycles being stolen or damaged by a third party.
- The Headteacher will notify parents if children do not adhere to the School Bicycle Policy and permission to ride will be withdrawn until the issues identified have been satisfactorily addressed.

Role of the parent:

While this school wishes to encourage an increase in the number of pupils cycling to school we strongly recommend that pupils wishing to cycle to school have undertaken the necessary Cycle Proficiency training available through school. More information on the Bikeability training syllabus is available at www.bikeability.org.uk

It is advised that you note the RoSPA advice that children below 11 years of age have not normally attained sufficient cognitive hazard perception skill. For children who are below the age at which on road cycling training is offered (year 5) or who have not undertaken the necessary training and still wish to cycle to school we recommend that these children must be accompanied by their parents.

Although the school provides appropriate cycle storage, parents are advised to take out appropriate insurance cover as the school's insurance does not cover loss or damage to bicycles.

Conditions for cycling to Washingborough Academy

- To ensure the bicycle is in good working order, well maintained and the correct size.
- To fit the bicycle with a bell and a working light
- To provide a named cycle helmet and encourage their child to wear bright and or reflective clothing on the journey.
- To provide a sturdy lock to secure the bicycle to the bike pod at school.
- To note that all bicycles and helmets are brought and stored on school grounds at the owner's risk
