Washingborough Academy - School Uniform Policy

Rationale

Our school community feels that promoting a school uniform encourages our children to have a sense of identity and belonging. We will easily recognise our children when on school visits and the problem of choosing clothes to wear in school is removed. School uniform helps us to celebrate our identity and is an important part of promoting good standards of behaviour.

Roles and Responsibilities

All staff and parents will encourage and promote the wearing of the correct clothing.

- Parents will be encouraged to name all items of clothing which may be removed during the school day.
- Practical help and support will be given to families in financial difficulties.
- A lost property box will be kept in each area. The LSA team will arrange for this to be viewed and removed at the end of each term. Non-claimed, good quality clothing will be given to FOWA or taken to a charity shop.
