

# **HEALTH AND SAFETY POLICY**

Last Reviewed: March 2022  
Next Review Date: March 2023

## STATEMENT OF INTENT

<b>SCHOOL NAME</b>	WASHINGBOROUGH ACADEMY
--------------------	------------------------

Washingborough Academy recognises that ensuring the Health and Safety of staff, pupils and visitors is essential to the success of the Academy.

We are committed to:

- Providing a safe and healthy working and learning environment.
- Preventing accidents and work-related ill health.
- Meeting our legal responsibilities under health and safety legislation as a minimum
- Assessing all risks to anyone who could be affected by our curriculum and non-curriculum activities and putting in place measures to control these risks.
- Ensuring safe working methods and providing safe work equipment.
- Providing effective information, instruction, training and supervision.
- Consulting with employees and their representatives on health and safety matters.
- Monitoring and reviewing our safety arrangements and prevention measures to ensure they are effective.
- Setting targets and objectives to develop a culture of continuous improvement.
- Ensuring adequate welfare facilities exist throughout the school.
- Ensuring adequate resources are made available for health and safety issues, so far as is reasonably practicable.

The policy applies to all relevant school activities and is written in compliance with all current UK health and safety legislation and has been consulted with staff and their safety representatives.

Health and safety management procedures will be adopted, and responsibilities appropriately assigned, to ensure the above commitments can be met. All Governors, staff and pupils will play their part in its implementation.

## Review Procedures

This policy will be reviewed regularly and revised as necessary. Any amendments required to be made to the policy as a result of a review will be presented to the Governing Body for acceptance.

Document / revision no.	Date	Status / Amendment	Approved by

## Distribution of copies

Copies of the policy and any amendments will be distributed to: The Head Teacher; Health and Safety Representatives; All Staff; Board members and Administration office.

## Roles and Responsibilities

### Introduction

In order to achieve compliance with the Statement of Intent the Academy's management team will have additional responsibilities assigned to them as detailed in this part of the Policy.

An organisational chart for Health & Safety Management is attached at Appendix 1.

### The Governing Body

The Governing Body is responsible for ensuring that:

- The health and safety policy statement are clearly written and it promotes a positive attitude towards safety in staff and pupils.
- The HT is aware of his health and safety responsibilities and has sufficient experience, knowledge and training to perform the tasks required.
- Clear procedures are created to assess any significant risks are fully implemented and ensure that safe working practices are adopted.
- Sufficient funds are set aside with which to operate safe working practices.
- Health and safety performance are monitored, failures in health & safety policy or implementation recognised, and policy and procedure revised as necessary.

### The Headteacher (HT)

Reporting to the Governing Body for the effective implementation of this policy.

Ensure the policy's objectives are fully met by:

- Plan as necessary to make human, financial and other resources available to secure a high standard of health and safety management, taking competent advice on matters of health and safety where relevant.
- Providing final authority on matters concerning health and safety at work.
- Making decisions on health and safety issues based on a proper assessment of any risks to health and safety, and will ensure the control of those risks appropriately.
- Delegating specific responsibility for the implementation and monitoring of the Health and Safety Policy to the SBM.

### The School Business Manager (SBM)

The SBM, working in conjunction with The Academy's Health & Safety Consultants, Judicium and the Governing Body, will advise the HT on health and safety policy. Acting for and on behalf of the HT, they have the responsibility for implementing and monitoring the policy.

The SBM achieves this by ensuring that:

- This Policy is clearly communicated to all relevant persons.
- Appropriate information on significant risks is given to visitors and contractors
- Appropriate consultation arrangements are in place for staff and their safety representatives.
- All staff are provided with adequate information, instruction and training on health and safety issues.
- Additional responsibilities for health, safety and welfare are allocated to specific individuals and they are informed of their responsibilities and have sufficient experience, knowledge and training to undertake them.
- Risk assessments of the premises and working practices are undertaken.
- Safe systems of work are in place as identified from risk assessments.
- Emergency procedures are in place.
- Machinery and equipment are inspected and tested to ensure it remains in a safe condition.
- Records are kept of all relevant health and safety activities e.g. assessments, inspections, accidents, etc.
- Arrangements are in place to inspect the premises and monitor performance.
- Accidents are investigated and any remedial actions required are taken or requested.
- The activities of contractors are adequately monitored and controlled.
- A report to the Governing Body on the health and safety performance of the school is completed termly.

### **Staff Holding Posts of Special Responsibility**

This includes the Senior Management, Administration and Caretaker.

They must:

- Apply the school's Health and Safety Policy to their own department or area of responsibility and be directly responsible to the HT for the application of the health and safety procedures and arrangements in their areas of responsibility.
- Develop policies and procedures which identify the key risks in their areas of responsibility and the organization and arrangements for managing those risks.
- Carry out regular health and safety risk assessments of the activities for which they are responsible and submit reports to the HT and the Health and Safety Lead.
- Ensure that all staff under their management are familiar with the health and safety procedures for their area of work.
- Resolve health, safety and welfare problems that members of staff refer to them, and refer to the HT any problems to which they cannot achieve a satisfactory solution within the resources available to them.
- Carry out regular inspections of their areas of responsibility to ensure that equipment, furniture and activities are safe and record these inspections where required.

- Ensure the provision of sufficient information, instruction, training and supervision to enable other employees and pupils to manage risks, avoid hazards and contribute positively to their health and safety.
- Ensure all accidents, incidents and near misses are recorded and investigated appropriately.
- Include Health and Safety performance in the annual report for the HT.

## All Teaching Staff

Class teachers are responsible for:

- Exercise effective supervision of their pupils and to know the procedures in respect of fire, first aid and other emergencies, and to carry them out.
- Follow the health and safety procedures applicable to their area of work.
- Give clear oral and written health and safety instructions and warnings to pupils as often as necessary.
- Ensure the use of personal protective equipment and guards where necessary.
- Make recommendations to their HT or Team Leader on health and safety equipment and on additions or necessary improvements to plant, tools, equipment or machinery.
- Integrate all relevant aspects of safety into the teaching process and, where necessary, give special lessons on health and safety in line with National Curriculum requirements for safety education.
- Ensure that personal items of equipment (electrical or mechanical) or proprietary substances are not brought into the school without prior authorisation.
- Regularly check their classrooms for potential hazards and report any observed to the Caretaker or SBM.
- Report all accidents, defects and dangerous occurrences to the HT or Caretaker.

## Catering Manager

The Catering Manager is responsible for the safe operation of the catering facilities and must:

- Be familiar with the academy Health and Safety Policy and other associated policies.
- Prepare risk assessments for all catering activities.
- Ensure that all kitchen staff are instructed and informed to work following policies, risk assessments, and procedures in place.
- Inform the Caretaker, SBM or the HT of any potential hazards or defects.
- Be familiar with the current Food Safety legislation and the implications so far as the school/academy is concerned.
- Ensure that non-catering staff do not use the catering facilities and equipment without the prior agreement of HT.

## All staff

All employees must:

- Act in the course of their employment with due care for the health, safety and welfare of themselves, other employees and other persons.
- Observe all instructions on health and safety issued by the Governing Body, HT or any other person delegated to be responsible for a relevant aspect of health and safety.
- Follow the guidance given in Health and Safety training received.
- Report all accidents and near misses as per the reporting procedure.
- Know and apply emergency procedures in respect of fire, first aid and other emergencies.
- Co-operate with other persons to enable them to carry out their health and safety responsibilities.
- Inform the Caretaker and SBM of all potential hazards to health and safety, in particular those which are of a serious or imminent danger.
- Inform their Line Manager of any shortcomings they identify with regards to health and safety arrangements.
- Exercise good standards of housekeeping and cleanliness.
- Co-operate with the/any appointed/elected Safety Representative(s) and the Enforcement Officers of the Health and Safety Executive.
- When authorising work to be undertaken or authorising the purchase of equipment, ensure that the health and safety implications of such work or purchases are considered.

## Contractors and visitors

All contractors and visitors must:

- report to reception and sign in on arrival,
- Visitors and contractors must report any injuries to their host as soon as possible.
- When the premises are used for purposes not under the direction of the HT e.g. the provision of school meals, then, subject to the explicit agreement of the Governing Body, the principal person in charge of the activities will have responsibility for safe practices in the areas under their control.
- All contractors who work on the premises are required to identify and control any risk arising from their activities and inform the HT of any risks that may affect the school staff, pupils and visitors
- All contractors must be aware of this health and safety policy, other relevant policies and emergency procedures and comply with these at all times.

In instances where the contractor creates hazardous conditions and refuses to eliminate them or to act to make them safe, the HT or their representative will take such actions as are necessary to protect the safety of school staff, pupils and visitors.

## Pupils

Pupils, in accordance with their age and aptitude, are expected to:

- Exercise personal responsibility for the health and safety of themselves and others.
- Observe standards of dress consistent with safety and/or hygiene.
- Observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency.
- Use and not wilfully misuse, neglect or interfere with things provided for their health and safety.

## ARRANGEMENTS

### Introduction

The following procedures and arrangements have been established within our school to eliminate or reduce health and safety risks to an acceptable level and to comply with minimum legal requirements:

The list provides a brief summary of all the key health and safety arrangements applicable to the school. More detailed policies and written procedures for a number of these areas are available in the Health and Safety Management File.

### Accident and Incident Reporting

All staff are required to ensure that all accidents are reported to HT (or designated responsible person) will ensure that the accident is investigated and reported to the Governing Body and the Health and Safety Executive as appropriate.

All incidents or near misses – i.e. something which has the potential to cause harm although it doesn't do so on this occasion – must also be reported so they can be investigated and appropriate steps taken to prevent a more serious reoccurrence.

### Asbestos

**All employees must read and ensure they have read and understood the school's Asbestos Management policy.**

The SBM is responsible for ensuring that the school Asbestos Log is read and signed by all contractors prior to starting any work on the premises.

Staff must not affix anything to walls, ceilings etc. without first obtaining approval from the HT/SBM.

Staff must report any damage to asbestos materials immediately to the HT.

Where damage to asbestos material has occurred, the area must be evacuated and secured. The HT will immediately notify the Chair of the Governing Body by telephone.

## **Contractors**

The SBM is responsible for the selection and management of contractors in accordance with the Managing Contractor's Policy

## **Curriculum Safety** (including off-site learning activities)

All curriculum leaders are responsible for ensuring that risk assessments are in place for curriculum activities where there is a potential risk to staff and pupils.

The risk assessments must be made known to all teaching and support staff and reviewed regularly.

Guidance from AfPE and other lead bodies should be adopted as appropriate.

## **Display Screen Equipment**

HT is responsible for ensuring that DSE assessments are completed for administrative staff and teaching staff who regularly use laptops or desktop PCs.

Regular laptop users will be provided with docking stations.

Staff are reminded that laptops should not be used on laps, chair arms and other unsuitable surfaces.

## **Educational Visits and Journeys**

HT is responsible for appointing an Educational Visits Coordinator (EVC) and providing the EVC and providing them with suitable training and the necessary resources for them to complete their duties.

HT and EVC are responsible for ensuring that all school outings are managed in accordance with the school policy for Educational Visits.

Staff involved in Educational Visit should be familiar with the Educational Visits Policy.

## **Electrical Safety**

The SBM is responsible for ensuring that the hard wiring system is inspected every five years by a competent person and any identified remedial work is undertaken without delay.

The Caretaker will also ensure that all portable electrical equipment is tested in accordance with the timescales recommended by the Health & Safety Executive.

All staff must be familiar with school procedures and report any problems to the Caretaker. Staff are reminded that they must not bring electrical equipment into school without the permission of the HT.

## Fire Precautions and Emergency Procedures

The HT is responsible for ensuring:

- That a Fire Risk Assessment is completed and reviewed annually.
- That the school emergency plan and evacuation procedures are regularly reviewed.
- All staff complete Fire Safety Awareness.
- A Fire Drill is completed every half term.
- The preparation Personal Emergency Evacuation Plan (PEEP) for staff and / or pupils with special needs.

The SBM is responsible for:

- The maintenance and inspection of fire safety systems and reporting significant findings to the HT.
- The maintenance of exit/escape routes and signage.
- Supervision of contractors undertaking hot work.

All staff must be familiar with the school Fire Risk Assessment, the emergency evacuation plan and the Fire Management policy.

## First Aid

The names of the qualified First Aiders are displayed on the notice board in all shared areas on site.

First Aid supplies are kept in the staff room and it is the responsibility of The SBM to ensure that stocks of supplies are kept up to date.

All staff must be familiar with the school arrangements for First Aid provision and the First Aid and Administration of Medicines Policy.

## Hazardous Substances

The Caretaker is responsible for ensuring that all cleaning and maintenance products that may be hazardous to health are assessed as per the Control of Substances Hazardous to Health Regulations (COSHH) before being used.

Substances that fall under COSHH must be stored securely in accordance with the manufacturer's instructions and only used by authorised persons trained in the safe use of the product.

All staff are reminded that no hazardous substances should be used without the permission of the HT. A member of staff who has completed COSHH Risk Assessment training will complete an assessment for any authorised products.

Products with low toxicity routinely used in the classrooms must be stored securely and only used by staff or older pupils under supervision.

Substances used in D&T, Art, and science should be assessed as per COSHH requirements and used in accordance with the generic assessments and guidance provided by CLEAPSS.

## **Inclusion**

Washingborough Academy details its responsibilities for Inclusion, and all teaching and support staff be familiar with this policy and supporting guidance.

The HT is responsible for ensuring that there are adequate facilities and support staff to ensure the health, safety and welfare of any pupil with SEN.

All teaching and support staff must be given any information about a pupil's needs and receive such training as is necessary for them to be able to support the pupil's learning, social and personal needs.

The SENDCO and curriculum leaders must ensure that all risk assessments for curriculum activities are adapted as necessary to ensure the safety of any pupil with SEND. No pupil should be excluded from an activity on the grounds of health and safety unless this is absolutely unavoidable due to the risk level identified by a risk assessment process.

Where it is considered essential to exclude a pupil from all or part of an activity this exclusion must be authorised by the HT.

## **Lettings/shared use of premises/use of Premises outside normal hours**

The HT is responsible for ensuring that any use of the premises outside normal hours is managed in accordance with this policy, the Fire Safety Policy and the lettings policy.

The SBM is responsible for managing the arrangements for lettings, e.g. staffing requirements, first aid provision, fire and emergency arrangements, and any restriction on use of facilities and equipment.

## **Lone Working**

Lone workers can be defined as anyone who works by themselves without close or direct supervision.

Premises and cleaning staff may be regular lone workers but teachers and other staff may also work in isolated classrooms/offices after normal school hours or during holiday times.

Any member of staff working after hours must notify the HT and Caretaker of their location and intended time of departure.

Lone workers should not undertake any activities which present a significant risk of injury.

## **Managing Medicines & Drugs**

No pupil is allowed to take medication on the school site without a letter of consent from his/her parent/Carer.

Staff must notify the HT if they believe a pupil to be carrying any unauthorised medicines/drugs.

The First Aid and Administration of Medicines provides detailed guidance and all staff should be familiar with this policy and follow its requirements.

## **Maintenance and Inspection of Equipment**

The detailed arrangements for the maintenance and inspection of equipment are described in the site maintenance procedures under the control of the SBM.

All faulty equipment must be taken out of use and reported to the Caretaker. Staff must not attempt to repair equipment themselves.

## **Manual Handling and Lifting**

The HT will ensure that any significant manual handling tasks are risk assessed and these tasks eliminated where possible.

No member of staff should attempt to lift or move any heavy furniture or equipment themselves but must ask the Caretaker for assistance.

Pupils are not allowed to move or lift any heavy or unwieldy furniture or equipment.

Support staff who assist pupils with physical disabilities must be trained in the safe use of lifting equipment and handling techniques.

## **PE and Playground Equipment**

The Lead of Physical Education is responsible for ensuring that all PE equipment is suitable and safe for the activities planned and the age and abilities of the pupils.

The SBM is responsible for ensuring playground equipment is inspected at least annually by a competent person and regularly by the Caretaker.

Risk assessments have been completed for all playground and PE activities, and all staff must be familiar with these.

Wall bars, ropes, beams, vaulting horses, benches and mats are formerly inspected annually by a competent contractor.

All PE equipment must be visually checked before lessons and returned to the designated storage area after use.

Pupils must not use the PE or playground equipment unless supervised.

Any faulty equipment must be taken out of use and reported to the SBM.

## **Personal Protective Equipment (PPE)**

Where the need for PPE has been identified in risk assessments, it is the HT's responsibility to ensure adequate supplies of suitable PPE.

Where a need for PPE has been identified by risk assessment, staff and pupils should wear PPE as per instructed on the risk assessment. who might be at risk of injury or harm to health.

Any staff member or pupil who refuses to use the PPE will be subject to disciplinary action.

PPE must be kept clean and stored in designated areas. Staff must report any lost or damaged PPE to their line manager in the first instance, if issues arise, there should be brought to the attention of the HT.

## **Risk Assessments**

It is the HT's responsibility to ensure that potential hazards are identified and that risk assessments are completed for all significant risks arising from the school undertakings.

The HT is responsible for ensuring the responsibility for completing risk assessments is delegated to the person responsible for that area.

Team Leaders will undertake a risk assessment for their specialist area.

The SBM will undertake risk assessments for maintenance and cleaning.

The EVC will ensure that risk assessments are completed by all staff who organise and lead Educational Visits.

## **Security**

The SBM is responsible for the security of the school site and will ensure regular checks are undertaken of the boundary walls /fences, entrance points, outbuildings and external lighting.

The SBM / Caretaker is responsible for the security of the site after normal school hours use and lettings.

The numbers on security pads will be changed at regular intervals, and these changes notified to relevant staff. Staff are reminded that these numbers should not be divulged to any pupil or parent.

Staff must query any visitor on the school premises who is not wearing a visitor badge and escort them back to reception.

If an intruder becomes aggressive staff should seek assistance.

Meetings with parents known to be verbally abusive or threatening in their behaviour should only be held virtually or by phone, if this is not possible, then these should take place in the reception area where assistance is available. The HT should be notified in advance of these meetings where possible.

Incidents of verbal abuse or threatening behaviour by parents, visitors or pupils must be reported immediately to the HT and the requirements set on section 3.30 should be followed.

## **Site Maintenance**

The SBM is responsible for ensuring the safe maintenance of the school premises and grounds and for ensuring cleaning standards are maintained.

The SBM / Caretaker will undertake routine inspections of the site and report any hazards that cannot be dealt with immediately to the HT.

All staff are responsible for reporting any damage or unsafe condition to the SBM immediately in writing. When the matter is urgent, this should be communicated by phone / radio.

## **Smoking**

It is illegal to smoke anywhere within the premises.

Signage to indicate that smoking is not permitted is displayed in conspicuous areas

## **Training & Development**

The HT is responsible for ensuring that staff health and safety training needs are completed and provide any identified training.

All new staff will receive specific information and training as part of the school induction process.

All staff will receive Health and Safety, Fire Safety awareness training on an annual basis.

Staff given specific health and safety responsibilities and duties will be provided with the necessary levels of information, instruction and training to enable them to carry out these duties.

Health and safety will be a regular agenda item for staff meetings and on the September INSET day in each new academic year.

## **Stress and Wellbeing**

The governors and the HT are responsible for taking steps to reduce the risk of stress in the school by taking measures to ensure colleagues are supported through:

- An environment in which there is good communication, support, trust and mutual respect.
- The provision of training to enable them to carry out their jobs competently.
- Control to plan their work and seek advice as required.
- Involvement in any significant changes.
- Clearly defined roles and responsibilities.
- Consideration of domestic or personal difficulties.
- Individual support, mentoring and referral to outside agencies where appropriate.

All employees must ensure that they read and understand the Wellbeing policy.

## **Swimming**

External venues used by the school are visited by the leader and individually risk assessed with advice from the operators. A plan of the pool area, emergency alarms

and fire exits will be prepared and issued to relevant teachers with the facility Normal Operating Procedures.

Deep and shallow ends are clearly marked and ideally divided by a rope wherever possible. Lifesaving devices and at least one lifeguard is located around the poolside.

All teachers and pupils are made aware of facility Emergency Evacuation Procedures. This is refreshed following any change in teachers or students.

## Visitors

All visitors must sign in and out at the reception desk. This includes parents and peripatetic teachers/specialists. A badge will be issued which must be worn at all times whilst on the premises.

Visitors will be made aware of the emergency procedures and other safety information relevant to them. Visitors will be made aware of the emergency procedures and other safety information as is applicable.

Contractors undertaking maintenance work will be informed of the emergency procedures and any risks in their work area e.g. asbestos, fragile roofs.

## Working at Height

The SBM is responsible for the purchase and maintenance of all ladders on the premises.

All ladders conform to BS/EN 131 standard.

The SBM is also responsible for completing risk assessments for all working at height tasks on the premises.

Staff are reminded that 'working at height' applies to all activities which cannot be undertaken whilst standing on the floor or activities carried out where a fall from height can take place.

When decorations or displays need to be put at height, a step stool or small step ladder must be used. Standing on desks, chairs or other furniture is **not** permitted.

Do not work at height when you are alone. If you are planning to use a step ladder ask the Caretaker to help you erect it properly and have an assistant to hold the ladder steady and pass you the materials you need.

Your knees should be no higher than the top platform of the ladder.

Never overreach. Try always to keep one hand free on the ladder to steady yourself.

## Control of Infections

The HT is responsible for ensuring that risk assessments are undertaken, and appropriate controls are in place to manage infection risks in line with the requirements set on the Control of Infections Policy.

Staff are responsible for complying with the Control of Infections Policy.

## Harassment, Violence and Aggression

Violence, threatening behaviour or abuse to staff will not be tolerated so all members of the school community, and all visitors can be confident that they are operating within a safe environment;

Policies, procedures and risk assessments will consider the hazard of workplace harassment, assault and violence from students and others to staff;

Government guidance from the Department for Education, the Health and Safety executive and Unions are considered when risk assessments are completed;

Controls are implemented to reduce as low as reasonably practicable the risk of harassment, aggression, violence and stress from working in fear of violence or assault;

Individual pupil risk assessments or Care Plans will be completed when necessary;

Regular reviews to monitor the effectiveness of the control measures are completed;

The design of the school premises will take into consideration the risks of violence, aggression and harassment;

Staff are provided with information, instruction and training to deal with difficult situations that they may encounter during their normal work activities;

Incidents of harassment, aggression or violence are reported, recorded and investigated in accordance with the Accident Reporting and Investigation procedure;

If a member of staff is subject of workplace harassment, aggression or violence, the school/academy will provide support to the affected employee, and appropriate action will be taken to prevent reoccurrence.

To enhance the learning environment and achieve a safe and secure community, the school/academy will participate and liaise with external organisations to develop protocols to reduce harassment, violence and aggression.

## New and Expectant Mothers

Staff that is a new or expectant mother should notify their line manager as soon as practicable.

The HT is responsible for ensuring that risk assessments are undertaken, and appropriate controls are in place to manage infection risks in line with the requirements set on the Control of Infections Policy.

The SBM should review the relevant risk assessments with the relevant staff to ascertain if further controls are required. If necessary, a specific risk assessment should be carried out for the new/expectant mother.

The school should consider these risks when completing the risk assessment:

- Working with hazardous substances
- Stressful environments
- Movement around the site (including stairs and distances between classrooms etc.)
- Doing duties that involve physical effort which might be too arduous;
- Standing for long periods

- Inherent risks in certain departments, e.g. PE, Science
- Manual Handling
- Working in a confined working space
- Using an unsuitable workstation
- Infectious diseases
- The provision of appropriate sanitary and rest facilities.

## **Supervision of pupils**

Staff will actively promote sensible, safe behaviour to students;

Dangerous or risky behaviour displayed by pupils will be addressed and dealt with in the school rules;

Pupils will only be allowed into or stay in classrooms under adult supervision;

Appropriate supervision of cloakrooms and toilet access will be in place at busy times;

Water hygiene management (control of Legionnaire' disease)

The HT will ensure that competent persons are engaged to manage the water system and control the spread of legionella bacteria. These persons will be the SBM specialist external contractors

The school will ensure a suitable and sufficient assessment as detailed in the COSHH Regulations and Approved Code of Practice L8 is carried out to identify and assess the risk of exposure to Legionella bacteria from work activities and the water systems on the premises and any necessary precautionary measures.

Where the risk assessment shows that there is reasonable foreseeability of risk, and this cannot be eliminated, a written scheme for controlling the risk from exposure will be written by a competent person. This scheme will specify measures to be taken to ensure that it remains effective;

The school will ensure that a suitable and sufficient monitoring regime is in place and that records are kept.

## Conclusions

This Health and Safety policy reflects the school's serious intent to accept its responsibilities in all matters relating to Health and Safety. The clear lines of responsibility and Organisation describe the arrangements which are in place to implement all aspects of this policy.

This Policy is supported by other associated policies that explain how the school/academy manages specific issues:

- Educational Visits Policy
- First Aid and Administration of Medicines Policy
- Managing Contractors Policy
- Fire Safety Management Policy
- Control of Infections Policy
- Asbestos Management Policy
- Managing Wellbeing Policy
- Curriculum Policies
